Kemberburgaz Ofis ve Okul Gereçleri A.Ş. established in 2001 as a limited company in İstanbul, and since then operating in stationery sector as the major supplier of worldwide prestigious brands in Turkey.

With a background of over 40 years of experience Kemberburgaz is focusing on only providing various kinds of quality and innovative office and school stationery products to its customers. Our aim is to extend best and ethical service to our dealers with a goal of having satisfied and happy end users and as a company continue to grow both in domestic market and expand its borders to international markets.

Kemberburgaz Ofis ve Okul Gereçleri A.Ş. also owns brands, "Serve" and "Caretta".

"Serve" is a high quality office and school stationery brand, which provides innovative products to Turkey and Global stationery market. "Serve" brand emphasizes quality as well as safety in its products. All products are confirmed to be safe for human health after being tested by accredited laboratories. Product range will keep growing with creative, attractive and innovative designed products.

"Caretta" offers different kinds of stationery products for school and office use. Caretta became a well-known brand for the consumers in a short period of time due to its high quality and dynamic product range. Caretta products are environment friendly and produced under strict regulations for safety and health which have a significant role in this achievement.
